Here are our memos to the file so far. We have used the permit numbers and to the file. I am good with either way.

We are trying to wrap up all these different topics in the final days, so it is a lot to keep track of! If it would be helpful to talk in person, please let me know.

**Subject:** groundwater quality memorandum to the Dewey-Burdock Files

Hello All,

We have this memo to the file that needs to be signed. The memo documents groundwater quality of the Inyan Kara and Minnelusa aquifers.

## Ex. 5 AC/AWP/DP

Rick, would you be the tech reviewer, please? Once I receive your comments back, I will route it for Sarah's signature. Meanwhile, here is the exciting preview!

Thanks!
